Advisory No. 03-03

March 12, 2002

CHARLESTON C-17 TO RECEIVE NEW "LET'S ROLL" NOSE ART

What: Charleston C-17 (tail #105) will receive the base's first "Let's Roll" nose art in honor of those who died on Sept. 11. The theme was devised from United Airline's flight 93 passenger Todd Beamer's famous phrase when he helped foil the hijackers.

Date and Time: Thursday, March 14, 10:30 a.m. until 11:30 a.m.

Location: Nosedock #1 (bldg 519) near the flight line. (News media are asked to be at the Dorchester Road gate entrance no later than 10:10 a.m. However, they can arrive later, but should contact public affairs at the telephone number below.)

Why: Throughout Air Force history, airmen have used aircraft nose art as a special way to express patriotism for their country and pride in their unit and crew. The "Let's Roll!" nose art has been created to show respect for the courage of those who died aboard United flight 93 fighting terrorists, as well as the victims of the Sept. 11, 2001 tragedies. One Charleston C-17 has been selected to receive the decal.

Visuals: Shots of the nose art application and maintenance personnel.

Contact: News media interested in attending this event should contact Capt. Krista Carlos at 963-5589 and 2nd Lt. Jennifer Andrews at 963-5537.
